URGENT: Please Send an eMail by Tuesday Afternoon

We have until 2pm HI time Tuesday, June 23 to send in a request for a public hearing on our Lahaina injection well permit. As of now, they do not have enough requests to justify another public hearing on the Lahaina injection well permit. Even though there is not an injection well in Honolulu, this issue effects the ocean on the entire west side of Maui and beyond. PLEASE SEND AN EMAIL WITH THE FOLLOWING TEXT OR SIMILAR
TO: Rumrill.Nancy@epamail.epa.gov

Title: REQUEST for PUBLIC HEARING ON LAHAINA WASTEWATER
INJECTION WELL PERMIT

I oppose the granting of the permit unless additional conditions are placed on the permit as set forth in the letter of the DIRE Coalition to EPA. While they have identified a range of issues and concerns to which EPA has not spoken previously or which they have newly identified, they have not provided you with anywhere near all the supporting data in their letter. They are in the process of gathering these data (and preparing their presentation) and will provide them to you at the public hearing we are requesting.

Thank You,
